Key Competences Kit
for facing Lifelong Learning

www.keycompetenceskit.eu

We intended to

offer a quality training methodology and didactic materials aimed to the acquisition of the **8 key competences for Lifelong Learning** among adults with lack of training and education gaps in order to strength their personal fulfilment, social inclusion and employment access/improvement.

Key Competences Kit
for facing Lifelong Learning

www.keycompetenceskit.eu

We intended to

promote the **access of adults to the Knowledge Society** encouraging their active citizenship.

We address:

- **Adults with lack of basic training or education gaps in risk of social exclusion:** immigrants, premature school leavers, women's collectives, adults over 55, former young offenders, low-qualified workers, etc.

Key Competences Kit
for facing Lifelong Learning

www.keycompetenceskit.eu

We address:

- **Professionals in charge of the design** and planning of Policies in Education and Training contexts.
- Education and Continuing Vocational **Training providers**: managers, trainers, technicians and administrative staff.
- **Enterprises**: Human Resources and/or Training Managers.

Key Competences Kit
for facing Lifelong Learning

www.keycompetenceskit.eu

Expected results:

- **Diagnosis study**, highlighting the current conditions and characteristics of adults with gaps in basic training, as a consultancy and reference document for the partner countries.
- **Comparison study** and methodological analysis for providing adult education in Europe.

Key Competences Kit
for facing Lifelong Learning

www.keycompetenceskit.eu

Expected results:

A Training pathway and Didactic Modules for the 8 Key Competences:
