

# Socials Employers Network (SEN)

Presented by Petya Grudeva

# What is SEN?

---

- Common European Network bringing together different types of organizations with positive attitudes towards people with disabilities.
- It was set up in September 2007.
- EU wide network financially supported by European projects under LLP.

# How does the network operate?

---

- SEN is operating through a common European Portal available on

[25-09-2009 Final Valorisation Conference Mentoring Validation 2](#)

This final valorisation conference will bring together a number of projects that support the employability of people with disabilities, disadvantaged groups within the society as well as minority groups. The conference will consist of a number of workshops, combined with a demo area where participants will be able to try out, obtain, and assess various outcomes of the projects present.

[15/16-01-2009 LivingAll European Conference](#)

The LivingAll European Conference will present the last R+D results about barriers and best practices to support free movement and equal opportunities for the disabled people obtained by the LivingAll project.
